

HIGHLAND GROCERY DELIVERY PROGRAM

Are you a Senior Highland Resident? Would you like to skip the grocery store lines and have your groceries delivered straight to your doorstep?

If so, Highland's Senior **Grocery Delivery Service Program** may be just what you need. This program was developed to assist Highland's senior citizen residents by paying home delivery fees, keeping you safe at home during the pandemic. This program will pay for an annual membership to Instacart Express for you to receive free delivery service for a year. You shop online, pay for your groceries and the delivery fee is on us.

It's easy to apply. Applicants must meet a few income requirements to be eligible. Contact Volunteer Services today to find out if you qualify!
