NEW! Electric Lawn Mower Rebate Program

Receive a rebate of up to \$250 with the purchase of a cordless, battery electric lawn mower. Purchase must include mower, battery and charger. Eligibility is limited to residents of Southern California who reside within the South Coast AQMD's four-county jurisdiction. Participants must also scrap a working gas mower in order to qualify for the rebate. For eligibility and program details, please visit www.aqmd.gov/lawnmower. Thanks for mowing down air pollution.

What You'll Need: Proof of purchase and signed scrap certificate.

The rebate program is first-come, first-served and rebates will continue until all program funds have been exhausted.
